

Why I voted Yes on H.R. 2883, the Child and Family Services Improvement and Innovation Act

I voted Yes on H.R. 2883, the Child and Family Services Improvement and Innovation Act. The bill would reauthorize and improve a number of current child welfare programs and authorize appropriations to provide funding for these programs. The federal government provides funds to states for the provision of child welfare-related services to children and their families. I support fiscally-responsible and accountable federal involvement in welfare programs for needy children and their families in Upstate New York.
