

I voted Yes on H.R. 1965, to amend the securities laws to establish certain thresholds for shareholder registration. This bill would expand access to capital for small businesses by allowing them access to a larger shareholder base. This legislation would increase the shareholder cap for registration requirements, thereby providing small businesses the opportunity to raise more capital prior to taking the business public.

H.R. 1965 passed by a vote of 420-2.
