I voted Yes on H.R. 3246, which designates a U.S. Postal Service facility in Ballwin, MO as the Specialist Peter J. Navarro Post Office Building. U.S. Army Specialist Navarro was killed during his service in Iraq when an improvised explosive device detonated near his Humvee while conducting combat operations northwest of Baghdad.

I support this Post Office naming in memory of SPC Navarro and his ultimate sacrifice for our country. The bill was approved by a vote of 415 – 0.
