

I voted Yes on H.R. 1264 to designate property in Jackson, Tennessee, as the "M.D. Anderson Plaza," and to authorize the placement of a marker on the grounds in honor of his achievements and philanthropy. Monroe Dunaway (M.D.) Anderson was one of most successful agri-businessmen and philanthropists of the early 20th century. He established a foundation to fund medical research and education at the M.D. Anderson Cancer Center in Houston, TX.

I support this designation to honor M.D Anderson's contributions to our country.

The bill was approved by a vote of 418 – 1.
