

I voted Yes on H.R. 886, the United States Marshals Service 225th Anniversary Commemorative Coin Act.

The bill would authorize the striking and sale of Commemorative Coins in honor of the 225th anniversary of the United States Marshals Service. Specifically it calls for a \$5 gold coin, \$1 silver coin, and half dollar clad coin to be sold at face value plus and the cost of designing and distributing the coins with an added surcharge. The proceeds from the surcharges will be directed to fund the United States Marshals Museum, the National Center for Missing and Exploited Children, Federal Law Enforcement Officers Association Foundation, and other worthy causes.

I support this legislation to commemorate the 225th Anniversary of the nation's oldest federal law enforcement agency.

The bill was approved by a vote of 412 - 1 - 1.
