

I voted Yes on H.R. 6612, a bill to redesignate the Dryden Flight Research Center as the Neil A. Armstrong Flight Research Center and the Western Aeronautical Test Range as the Hugh L. Dryden Aeronautical Test Range.

This bill will pay tribute to the many achievements, acts of service, and contributions to society accomplished through the lives of Neil Armstrong (1930-2012) and Hugh Dryden (1898 – 1965) and ensure that their memories and legacies endure with the National Aeronautics and Space Administration (NASA) and the world for future generations.

H.R. 6612 was approved by a vote of 404 – 0.
